**FOR IMMEDIATE RELEASE**

**Land Advisors Organization–Tucson Awarded 2009 CoStar Power Broker Award**

**April 29, 2010 (Tucson, Arizona)** – Land Advisors Organization-Tucson is pleased to announce that they have been recognized as a 2009 Top Sales Firm by the CoStar Group, based on the firm’s closed transactions in 2009. In addition, Will C. White and Ted J. Herman, both of the Tucson office, were recognized individually as 2009 Top Sales Brokers for their sales expertise of the Tucson market.

According to the CoStar Group, “Successfully closing any commercial property transaction was enormously challenging in 2009, given the extreme economic conditions investors, tenants and property owners faced last year. The brokers who excelled under those conditions and achieved the highest transaction volume in commercial property sales last year in their respective markets are especially deserving of industry-wide recognition—those who persevered and earned the right to be called one of the ‘best of the best’ in commercial real estate brokerage.”

As the largest professional research organization serving the commercial real estate industry, CoStar is uniquely positioned to identify the top firms and brokers in each market. Every year, CoStar tallies the commercial real estate sales and lease transactions that closed during the previous year and presents CoStar Power Broker Awards to the brokerage firms and individual brokers who closed the highest transaction volume in commercial property sales and leases in each market.

Additionally, the Land Advisors Organization’s Scottsdale office was also recognized as a 2009 CoStar Power Broker Top Sales Firm, based on their 2009 transaction volume in the Phoenix market.
